Pedagogy of the Oppressed by Paulo Freire
I just finished reading Paulo Freire's Pedagogy of the Oppressed. It was life altering, as I knew it would be, and pointed the way forward clearly to how we can begin the revolution. If our aim is, as loving humans, to eradicate homelessness, poverty, racism, classism, and sexism, our revolution must be educative and cultural.
Education - Western education in the 19th century | Britannica

Education - Education - Western education in the 19th century: From the mid-17th century to the closing years of the 18th century, new social, economic, and intellectual forces steadily quickened—forces that in the late 18th and the 19th centuries would weaken and, in many cases, end the old aristocratic absolutism. The European expansion to new worlds overseas had stimulated commercial rivalry.
